Protect our kids

Back to school prayer guide

2021-2022

30 Day Prayer Guide

1. Pray that kids can go back to school unmasked, and that all states will lift the student mask mandates, and in the meantime, school districts will impose lenient enforcement, allowing for medical and religious exemptions.
2. Pray that students K-college are not forced to take vaccines, and that students are not coerced into taking them without their parents' consent.
3. Pray for wisdom and accurate medical data for the parents regarding vaccines.
4. Pray that schools stay open for in-person learning, and that school closures are not used as political pawns by teachers' unions.
5. Pray that the students suffering from depression and suicidal thoughts get help.
6. Pray that all the students, including ESL, those with learning disabilities, and homeless students who have fallen behind academically get the tutoring they need to catch up to grade level.

What's going on in schools?

If you who think our public schools are the same as when you went to school, you will be shocked to find out that many of them are not. If your kids are in a great school, you are fortunate, but if not, you will want to protect them. These prayer points address problems expressed by education experts, which are featured on [educationimpact.us](https://www.educationimpact.us).

Parents are charged by God to train up their kids in the way they should go. (Prov. 22:6)

7. Pray that bullying and campus violence are restrained on campus and online.
8. Pray that God's peace permeates the hearts and minds of the students, parents, and teachers on campus and in their homes.
9. Pray for Christian clubs and student support ministries return to public schools during lunch and after school.
10. Pray for a turnaround in our education system that academic excellence, critical thinking and an accurate knowledge of English, math, history, and science are taught, rather than the social-emotional reprogramming of our nation through the indoctrination of our kids.
11. Pray that parents become aware and demand that school boards replace age inappropriate, gender confusing Sexxx Ed with medically accurate, age appropriate, parent approved curriculum.
12. Pray that parents demand that school boards replace Critical Race Theory, radical Ethnic Studies and the 1619 Project curriculum with historically accurate curriculum that does not create racial division, foster hatred against our nation or promote socialism.
13. Pray that parents demand curriculum transparency.
14. Pray that communities recruit, vet and support qualified school board candidates that support parent's rights and vote out those who do not.
15. Pray for parents to learn ways to protect their kids from objectional curriculum.
16. Pray that parents who decide to leave public school will find alternative school options.
17. Pray for all parents to have the right to choose the best education for their kids, and that voters support school choice in their states.
18. Pray for churches to use empty classrooms to start missional approach schools or allow hybrid homeschool models to use their classroom, playground, and multi-purpose facilities.

Children belong to the parents, and not to the Department of Education!

19. Pray for new schools that are starting up to use biblically sound academic curriculum with the intention of not only raising up their kids to have a good academic education but also to have a solid biblical worldview and represent Christ.
20. Pray for parents to reverse the ideological, moral, or historical indoctrination that their kids have been taught that do not represent their values and/or undermine our nation.
21. Pray for a revival, a move of God, to break out on campuses, churches and our communities causing us to ask God to hear our prayers and heal our land.
22. Pray for God's spirit of unity to rise up between all students, teachers and parents, and that we will not allow our schools to be used to divide us based on race, politics or religion.
23. Pray for parents to continue rise up and declare that "we will not allow our kids to be indoctrinated."
24. Pray for parents because they are on the front lines of pushing back against Critical Race Theory, revisionist history, the forced masking in our nation and keeping our facilities open. They are the front lines of the citizens who are standing up against government oppression.
25. Pray for parents to make wise choices on where they send their kids to college, as many have become steeped in limiting free speech, free thought, and teach radical anti-American ideologies.
26. Pray for teachers to leave the radical teachers' unions that support progressive agendas and Planned Parenthood; pray they join alternative unions that promote their values.
27. Pray and support godly candidates who run for school board, city council, county superintendent and local sheriff positions because they are your local government representatives. *
28. Pray for voting integrity in every county and state in our nation, that only legal registered voters will vote, and that fraud in elections will be stopped, and the people's voices will be heard. *

***The philosophy taught in the schoolroom in one generation will be the political ideology in the next.
- Abraham Lincoln***

29. Pray for truth in medical, government and media reporting on Covid, and that Covid is not used for political manipulation or financial gain. Pray that vaccinated and unvaccinated people will not be pitted against one another. Pray for citizen's continued respect for freedom of the individual, their choice, their voice, and religion. *

30. Pray that schools, churches, and businesses are not shut down and that our economy will return to being strong; pray for people to be able to get back to work again. *

*All of these affect our children, their families, and the future of this nation.

**“If two of you agree on earth about anything they ask,
it will be done for them by my Father in heaven.” Mat 18:19**
