

PRESS RELEASE
Pray4SafeSchools
Day of Prayer e-Event 9.18.19

UNITE YOUR CITY TO PRAY FOR YOUR SAFE SCHOOLS!

The Pray4safeschools free daily prayer text began as a result of the Parkland High School shooting where 17 were killed and 17 wounded. The 1st P4SS Day of Prayer e-Event will be held on 9/18/19, uniting people to pray for their own K-College schools! These horrific school shootings and recent mass killings in our cities alert us to the need to pray for God's protection against this evil.

On 9.18.19, join students, individuals, families, churches/ministries and communities praying for the K-College schools in your city!
